

Technical drawing of a mechanical assembly, showing a cross-section and a perspective view.

The cross-section (top right) shows a central shaft with a diameter of $\varnothing 53^{H8}_{u8}$ and a central hole with a diameter of $\varnothing 95^{H8}_{u8}$. The shaft is supported by bearings, and the central hole is filled with a material indicated by diagonal hatching.

The perspective view (bottom left) shows the assembly with a central shaft and a central hole, with dimensions $\varnothing 53^{H8}_{u8}$ and $\varnothing 95^{H8}_{u8}$. The drawing includes hatching for different materials and dashed lines for hidden parts.
